

Using the Keys
An Extension Activity Guide
(Bible Verses Included)

This guide aims to extend the learning of the *Keys 2 Empower & Grow* web app, through activities and **Bible verses**.

While the web app program is self-guided, this activity guide recommends adult participation. The guide covers the seven topics from the *Keys 2 Empower & Grow* program: Good Character, Positive Thinking, Honesty, Making Good Choices, Citizenship, Personal Best, and Friendship. There is no order to follow, and you do not have to complete every activity for each topic. You are encouraged to modify any activity to meet the needs of the learner. You will note that some activities should be completed individually, while others can be done in a group format. We would invite you to encourage each child to memorize as many verses as they can.

Keys 2 Empower & Grow is not associated with any of the sources contained in this guide. **This activity guide is provided for educational purposes only.**
